

# Church Activities and Programs

## Introduction

At Generocity Church, our diverse range of activities and programs are designed to cater to the spiritual, social, and developmental needs of our congregation. From vibrant worship gatherings to nurturing children's ministries and enriching small groups, each aspect of our church life is aimed at fostering a supportive and spiritually enriching community.

## Gatherings

Generocity Church gatherings encompass a range of activities, including worship services, community events, and special celebrations. Our gatherings are designed to foster spiritual growth, communal worship, and to provide a welcoming environment for everyone. Each gathering involves elements such as worship through music, teaching from the Bible, and opportunities for personal reflection and prayer. Community events like conferences, special services, and holiday celebrations also play a significant role in our church life.

## GC Kids

- **Overview:** GC Kids focuses on the safety, protection, and spiritual development of children and young people. We are committed to safeguarding all children and young people from abuse and neglect.
- **Recruitment and Training:** Staff and volunteers undergo a thorough recruitment and screening process, including a face-to-face interview with a pastor and mandatory completion of Generocity Church Children's Ministry Requirements.
- **Code of Conduct:** It includes vital guidelines like never being alone with a child, ensuring supervision at all times, and following the Generocity Church Children and Young People Safety Policy.
- **Expectations for Volunteers:** Regular church and group attendance, participation in church events, and adherence to a moral lifestyle reflective of biblical principles are

expected from all GC Kids volunteers.
